COMFORT TO MANKIND And since 1870 adding years to a man's life. SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted? At all Druggists, or from the Maker

COMFORT TO MANKIND And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. COMFORT TO MANKIND

And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND

And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

"There is probably no other public body of citizens filling such an important place as does this Association."

The Manufacturers' Association

OF NEW YORK

Manufacturers' Building, 198 Montague St.
BROOKLYN, N. Y.

ORGANIZED AND INCORPORATED 1894

For the purpose of promoting civic pride and protecting the interests of Manufacturers, Merchants and Business Men

If you are not a member of this Association, you should be. Send for a Membership Application Blank.

"The Manufacturers' Association has had an honorable career of civic usefulness. For nearly ten years it has been doing things and it means to do much more.

"As has been well said in summarizing the character and scope of this successful association, 'it may be considered a public sentinel. The best interests of the public are conserved through such an organization, which vigilantly scrutinizes the acts of public officials and legislators affecting the welfare of the manufacturers, the commercial world, and practically our entire body of citizens. Its influence in studying the great public needs and advocating measures for their relief has been an active factor in securing advantageous public improvements, which would undoubtedly either have been retarded for years or perhaps never have been undertaken.'"—*Brooklyn Eagle.*

SERIOUS DENTAL DISEASES NOW EASILY CURABLE

The Alveolar Method of the Now Famous Dr. Martin Has Saved Many a One the Trying Ordeal of Bridge-work, the Wearing of a Plate of False Teeth; Has Cured Loose Teeth, Pyorrhea Alveolaris and Other Diseases That All Dentists before Dr. Martin Considered Incurable. Call and Receive Expert Examination and Advice without Charge.

The Most Serious Cases Sought

While Dr. Martin, naturally, can do the simple work of filling a carious tooth with superior excellence, yet the cases that he really seeks are those that have defied the skill of other dentists, including those dentists who are thought to be foremost in their profession; cases of loose and falling teeth, receding gums, discharge from the gums, tender and inflamed gums, pyorrhea, the replacing of missing teeth without bridge-work or plate; the saving of the teeth by his Alveolar Method, so that a plate of false teeth will be unnecessary; decayed teeth, aching teeth, where other dentists are unable to locate the trouble; necrosis, abscesses and such other serious dental conditions as alarm the sufferer and give him no permanent relief by the ordinary dental methods. Dr. Martin can prove to you in one sitting that relief is not only possible, but that a permanent cure is an assured fact.

Costs No More Than Others

Dr. Martin, as has been previously pointed out, should not be confounded with "dental parlors," "dental institutions" and dentists of the ordinary kind who disguise their full names and call attention to their announcements with a crude illustration of a set of teeth. Dr. Martin has nothing in common with such as these. He does not offer "bargains," but skillful, scientific dentistry along entirely new lines originated by him and approved of by six of the leading civilized countries of the world, including, of course, the United States.

To answer at large the question so often put to the doctor, whether his method is so much more expensive than the ordinary, he wishes to say that not only is it not more expensive, but, when the nature and the value of the work are considered and its lifelong permanency, it is positively less expensive, and one can only marvel why any one will go to an ordinary dentist to have ordinary service performed when he can get the very best that is obtainable at no greater cost. Those to whom cost is no object should still go to Dr. Martin, as, after all, here only can the best dental service be secured.

Special Appointments Invited

Where persons desiring to meet Dr. Martin are unable to do so during his regular office hours, between 9 and 5, he will make special appointments for the evening or Sunday. These special appointments can be made in person, by telegram, by telephone (5063 Madison Square), or by letter addressed to G. Gordon Martin, M.D., D.D.S. (Inc.), suite 701 to 703, 320 5th Ave., corner 32nd St., New York City.

SERIOUS DENTAL DISEASES ✱ NOW EASILY CURABLE

THE EFFECT OF ALVEOLAR DENTISTRY ON MRS. EVANS

WHEN many prominent dentists had given her up; when professors of dentistry in colleges said she would have to wear a set of false teeth through life; when naught but lifelong discomfort seemed in store for her, Dr. Martin began treating her by his alveolar method, and Mrs. Evans now has two rows of as pretty and uselful teeth as any one, and no plate or bridgework holds them in place. Read every word of Mrs. Evans' sworn testimony and call or send to Dr. Martin for a more detailed statement.

New York City, May 8, 1905.

TO WHOM IT MAY CONCERN:—

My name is Mrs. Bella Evans. I was a resident of Chicago continuously for ten years. I now live at the Hotel Martha Washington, 29 E. 29th St. About three years ago I had my upper teeth treated, and the usual form of bridge work was used. In less than two years this bridge work loosened and wrecked every good tooth and I was compelled to have the bridge work removed. For about one year I had much trouble with the upper half of my mouth. Seven of my teeth were gone entirely, and seven were extremely loose. I suffered intensely with Pyorrhea. This was about October 15, 1903. About this time I visited the Northwestern Dental College and inquired what could be done with my teeth. I suffered greatly with Pyorrhea, and the remaining seven teeth in my upper jaw were so loose that I know that I could have pulled them out with my fingers. The dentists at the Northwestern Dental College, including Dr. Black, the Dean, examined my mouth and told me that there could be nothing done; that they could give me no relief except to take out the entire seven teeth, after which I would have to wait six months or a year; at which time a plate could be put in. Two days later, by request, I called at the Northwestern Dental College, where I was told by those in charge that there was a Dr. Martin there who claimed he could tighten loose teeth and cure Pyorrhea; and they asked me if I would allow him to experiment on my teeth. They said they did not have any faith in Dr. Martin's claims, but as I had to lose my teeth anyway, it could do no harm to let Dr. Martin try his method. I finally consented. About the 18th or 20th of October, 1903, Dr. G. Gordon Martin, in the presence of a number of prominent dentists, including professors and students of the Northwestern Dental College, began his work on my mouth. He completed his work about the 25th or 27th of October, 1903, with the following results:

1. He did not remove or extract a single tooth, but saved all of the seven.
2. He tightened the entire seven loose teeth so that they are to-day as sound and firm as they ever were in my life.
3. He cured the Pyorrhea. To-day there is not the least sign of such a disease and my mouth and gums and upper jaw are in a perfectly healthy condition.
4. He supplied and put in place in my upper jaw all the missing teeth, seven in number, so that to-day, I have fourteen upper teeth without any plate, and all are firm, tight and perfect.
5. I find no inconvenience, no tenderness, no trouble whatever; the work and the results are perfect and I am simply a delighted woman.

MRS. BELLA EVANS.

Subscribed and sworn to before me, this eighth day of May, 1905.

O. M. KOHN,
Notary Public, New York County.

COMFORT TO MANKIND And since 1870 adding years to a man's life. SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

ACIDS, AMMONIA AND CHEMICALS

COMFORT TO MANKIND
And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND And since 1870 adding years to a man's life. SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND

NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND
And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

ACIDS, AMMONIA AND CHEMICALS

COMFORT TO MANKIND

And since 1870 adding years to a man's life. SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND

And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND

And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. COMFORT TO MANKIND
And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND
And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND And since 1870 adding years to a man's life. SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND
And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

COMFORT TO MANKIND

And since 1870 adding years to a man's life, SCHNOTER'S ARMY AND NAVY SUSPENSORY BANDAGE is the only permanent relief for VARICOCELE, HYDROCELE AND RUPTURE. Before taking notice of Startling Advertisements of so-called Varicocele Cures, see your family physician. Incidentally ask him about the CELEBRATED SCHNOTER'S SUSPENSORIES. Don't be surprised if he tells you that he wears one himself. Any better endorsement wanted?

WE HAVE NOW IN PREPARATION OUR

STREET DIRECTORY

AND

BUYER'S GUIDE FOR 1906

The Street Directory is a most useful Book of Reference and a remarkably Reliable and Cheap Advertising Medium. The edition is co-operative copies, circulated by the advertisers. Each advertiser receives 100 copies for gratuitous circulation, besides one page advertisement in the entire edition of 15,000 books. The convenient size of the book, together with the great amount of useful information, makes it certain that the book is kept and used.

The 1906 Edition, besides having the latest corrections, will also contain all the new names of Streets and Avenues adopted by the Board of Aldermen for the past year, making it very valuable and up to date.

It will pay you to have 100 or more copies.

STREET AND AVENUE DIRECTORY

. . . OF . . .

BROOKLYN.

COMPILED FROM THE OFFICIAL RECORDS.

GEORGE UPINGTON,

PUBLISHER,

317 WASHINGTON ST., BROOKLYN, N. Y.

Showing the commencement and termination of each Street, Avenue, Place, Lane, etc., in the Borough, together with corner numbers of every intersecting Street or Avenue.

EXPLANATIONS.

If you desire to ascertain the location of any number—for instance, No. 250 Nevins street—you will observe that No. 240 Nevins is on the corner of Douglass, right side, and No. 256 Nevins is on the corner of Degraw ; hence the desired location of No 250 Nevins street is between Douglass and Degraw, on the right side.

Or suppose you wish to take a car for the purpose of reaching as nearly as possible No. 559 Willoughby avenue. The street directory shows (see Willoughby avenue) that No. 511 Willoughby avenue is on the corner of Marcy avenue, and No. 581 is corner of Tompkins avenue, both on the left side, so that to reach No. 559 Willoughby avenue you will leave the car at either Tompkins avenue or Marcy avenue.

Even numbers will be found on the right side, odd numbers on the left.

A * placed in the right or left column denotes that the street or avenue does not extend to that side.

A—denotes that there is no number on the corner.

* * * denote that cross streets have been omitted.

ABBREVIATIONS.
